

Bagger Supervisor

OXFORD FROZEN FOODS LIMITED is the world's largest processor of Wild Blueberries and one of North America's leading producers of frozen carrots and battered vegetable products. One of the keys to our success has been our ability to be a low cost producer with a proven customer satisfaction focus. We have an immediate opportunity for a bagger operator in our facility located in Oxford.

This operator is responsible for every aspect of the production process related to the bagger line. Reporting to the production department head, you will be responsible for the effective and safe operation of the bagger line.

You must be able to work unsupervised and work a variety of shifts. As a leader you must work well with others and communicate effectively. A strong technical aptitude and sense of urgency are necessary.

A criminal record check is required.
