

Sanitation Lead Hand

Oxford Frozen Foods is the world's largest processor of frozen wild blueberries and a major producer of frozen carrot products and battered vegetables and cheeses, operating manufacturing sites in the Maritimes and Eastern Maine, USA.

We are currently seeking a **Sanitation Lead Hand** to coordinate sanitation operations at our Oxford location.

The Sanitation Lead Hand will be a strong self-starter with exceptional interpersonal skills. They will have well developed food manufacturing experience in the area of sanitation.

Reporting to the Sanitation Department Head you will be responsible for the safe and timely execution of the daily cleaning of all of the processing lines within the facilities. You must be able to work well with details and others. As a working lead, you are responsible for assigning the daily duties to sanitation team members within your department. You are able to supervise the sanitation crew in a HACCP environment in compliance with the company standards while leading and coaching employees.

We offer a competitive salary, a comprehensive benefit program, and a rural living area that offers abundant recreational opportunities.

Please send your resume in confidence to:
