

Production Manager – Battered Products

Oxford Frozen Foods is currently recruiting a Production Manager for the Battered Products Division. This position will report directly to the Plant Manager.

The Production Manager is involved with the planning, coordination and control of manufacturing processes. The Production Manager also takes part in the ordering and tracking of raw materials used during the production process.

The key objective of the Production Manager is to ensure that goods are produced efficiently at the lowest cost and at the right level of quality, while adhering to all regulatory and applicable company policies and procedures.

We offer competitive wages, comprehensive benefits and a unique housing loan initiative.

Please send your resume in confidence to:
