

Our farm is located in Tatamagouche, along Nova Scotia's North Shore. We pride ourselves in raising animals with care, producing naturally grown meat products which are sold in our Farm Market.

We are currently seeking self-motivated and adaptable **Farm Labourers** to start immediately.

The following would be considered an asset, *although not required*:

- Possess valid Driver's License
- Mechanically inclined
- Experience operating farm equipment such as: tractors, rake and wrapper

Qualifications:

- Stamina to perform physically demanding and repetitive tasks
- Adaptable with strong time management skills
- Self-motivated; takes initiative and have the ability to work independently

Position details:

- Require 3 seasonal labourers, with potential for a full time year-round position
- Wage to be determined based on experience and skills demonstrated
- Students are welcome to apply

Position Requirements:

- Poultry processing; clean, cut and package for market
- Feed livestock and clean livestock pens
- Assist in crop production and harvesting; field prep, haying, grind feed
- Operate various tools and equipment safely, efficiently and with confidence
