

Community Metal & Quality Built Mini Barns is your local manufacturer of metal roofing and siding panels for residential, commercial, agricultural and industrial buildings. Based in the Debert Industrial Park, we sell to building supply dealers, contractors and end users across Atlantic Canada. We have an opening for a Business Manager/Sales/Estimator to join the team.

As a Business Manager you will plan, organize, direct and control daily operations. You will evaluate efficiency of production, determine adequacy of personnel, equipment and technologies used for operation. You will ensure inventory is maintained, prepare work schedules, schedule and oversee the maintenance of plant equipment. Must have an aptitude for problem solving and determining solutions for customers' needs.

This position requires a detail-oriented individual with experience estimating building projects, providing advice about products and merchandise. Construction knowledge and experience considered assets. Knowledge of steel roofing and siding industry an asset. Must have a strong focus on customer service with a pleasant phone manner, must have well developed organization and time management skills and be capable of working independently as well as participating as part of a team. Must be able to work in a fast-paced environment. Must have a broad knowledge of Community Metal inventory with the ability to effectively communicate and present to customers.

The successful candidate must have exceptional interpersonal skills to effectively interact with customers and staff.

Please note this is permanent, full time, Monday to Friday

We welcome applications from all qualified applicants; however only those selected for an interview will be contacted. Applicants are invited to submit a cover letter and resume by July 24, 2018.
